

2019 NEWSLETTER

THE 2019 SHOOTING SEASON IS HERE AND WE HAVE LOTS OF INTERESTING NEWS TO SHARE WITH YOU.

- **2019 STATE CHAMPIONSHIP AND KRYPTEK CHALLENGE.**

Rock Creek Shooting will again host the Idaho State Sporting Clays Championship from June 27-30. All events will be squaded this year so please sign up soon to secure your preferred rotations. With courses to be set by Frank Liebschwager (prelim, main and subs) and John Eagle (FITASC) we have over 100 shooters preregistered already and expect many available rotations will be full.

We are very excited to announce that the Preliminary Event on Friday, June 28, has been named the "KRYPTEK CHALLENGE" in recognition of the substantial sponsorship by ultra-high-performance technical and tactical outdoor adventure apparel provider – Idaho based KRYPTEK. KRYPTEK will provide hosted lunches on Friday and Saturday, and KRYPTEK gear as shooter prizes.

We are thankful of the support of our many sponsors, including Western States Equipment, Active Office Furniture, Idaho Power, White Flyer, Fiocchi and others. They genuinely help improve your shooting experience.

- **NEW EXECUTIVE SPORTING COURSE AND TRAPS.**

After May 1, Rock Creek will open an second sporting course. This seven station, 50-round, executive course will be much shorter and more walkable than our main course and will be set with the novice and intermediate shooter in mind.

We have also purchased additional traps for the main course that will allow us to position at least three traps at each of the 14 stations. This will allow us to more frequently change course settings and provide shooters with more target varieties.

- **REDUCED PRICING FOR SENIORS AND MILITARY PERSONNEL.**

This year we will offer seniors (62 and older) and current and former military personnel discounted sporting clay prices on Thursdays. The cost of 50 rounds will be \$19.00 and 100 rounds \$38.00

- **REVISED SCHEDULE.**

In 2019 Rock Creek will be open to the public on Thursdays, Saturdays (10:00 AM to 7:00 PM, last call at 6:00 PM) and Sundays (10:00 AM to 6:00 PM, last call at 5:00 PM). Wednesdays and Fridays will be reserved for pre-scheduled and company events.

- **NEW COMPETITION FORMAT.**

We will be introducing a new competition format in a couple of weeks. This new format is designed to allow shooters of all skill levels to compete against other shooters of the same skill level. At the conclusion of the six-week competition shooters will be awarded prizes and treated to a barbeque.

- **OPENING DATE.**

We are still cleaning up after the unusually wet spring weather. We expect to open in mid-April. Check our website for information on the scheduled opening. Rockcreekshooting.com.

WE LOOK FORWARD TO SEEING YOU SOON! AND REMEMBER:

***SHOOTING SAFETY IS EVERYONE'S
RESPONSIBILITY***
